This is a great way to get more dives under your belt while continuing to learn under the supervision of your PADI Instructor. This course builds on what you've learned and develops new capabilities by introducing you to new activities and new ways to have fun scuba diving.

Course Booking Instructions

Step 1: Find a course.

Find a month that works for you on our [course calendar](#).

Step 2: Have you been diving with us before?

If its been a while since you did your Open Water Course or haven't been for a dive with us before, we have a pre-assessment night before the course to familiarise yourself with the equipment and the skills.

For more information, give us a call in store.

Step 3: Make sure you meet the requirements:

- Open Water Certified
- 14 years of age
- Complete a Medical Questionnaire - Just fill in the first page, if you answer YES to any of the questions you will need to get the medical signed off by a doctor. We recommend seeing a hyperbaric (diving) doctor.
